

## Delicate Touch Sink

The Delicate Touch sink is the first of a line of sinks from Hydro Systems. It's zen outward design, complimented by its adequate depth, allow this laundry sink to be both contemporary in look while practical to use. The ample drying shelf, teamed with either the washboard or smooth slope interior (both available), affords all of the basics required to launder all of your delicates while showcasing your decor. The optional forced-air aeration system provides millions of agitating bubbles to aid in washing. Pleasing looks combined with functional design and premium performance, the Delicate Touch sink redefines the standard and sets the bar for laundry sinks.
