

PLC Lighting 6W Black Non Dimmable Duece LED S. Exterior Lite

Product Description:

The small Exterior Lite from the Duece Collection is tastefully designed and will look good in any outdoor setting. The light is fully weather proof with full EDL certification. Measuring 12" high and 6" across with a 4" extension the light uses a 6W LED which produces 240 lumens to give a soft and warm glow. Constructed from powder coated steel and finished in black which complements the opal acrylic lens perfectly. This Exterior Lite will never appear dated thanks to the classic and traditional styling and offers exceptional value for money.
